SOC 2 Type 1 Audit Completion Letter

April 25, 2025

To whom it may concern:

This letter confirms that Attinkom LLC has completed the SOC 2 Type 1 examination of Akeron S.r.l.'s description of its system titled 'Design, Development, Sales, Configuration, and Support of its SaaS-based Software Solution – Vulki' as of December 31, 2024.

The examination was completed based on the assertions made by the management and in accordance with attestation standards established by the American Institute of Certified Public Accountants. The examination of management's assertions, as included in the examination report, includes procedures to obtain evidence about the fairness of the presentation of the description, the suitability of the design of the controls to meet the applicable trust services criteria (Security and Availability) stated in the description.

Based on our examination, we have obtained reasonable assurance that the controls were suitably designed as of December 31, 2024.

Finally, to conclude on the design of controls, you must read the SOC 2 Type 1 report (Report Serial Number RSN-ATKM02320227) dated March 31, 2025.

This letter is not intended to be a substitute for the SOC 2 Type 1 report.

Please don't hesitate to contact me if you have any questions.
